

Olde England Lake Newsletter

GREETINGS RESIDENTS OF OLDE ENGLAND LAKE SUBDIVISION!

If you have recently moved into our neighborhood, a warm welcome to you! The purpose for this newsletter is to make newcomers aware of our neighborhood website and Facebook Group page and to remind the rest of us to please use these Internet sites. I'm also in the process of updating our Neighborhood Directory (which is way out of date now) so I'm asking all residents to be sure to read the section below on the 2012 Neighborhood Directory.

OUR NEIGHBORHOOD WEBSITE

I'm the creator and volunteer webmaster of our neighborhood's website, OLDE ENGLAND LAKE HOME OWNERS ASSOCIATION located at www.oelhoa.org. It went "live" in February of 2007 and is revised as needed (new announcements, revising or adding documents, etc.) Please use this website as a resource for contact information of our board members, links to various documents (including Bylaws, Covenants, Architectural Guidelines/Restrictions, past newsletters, current and past budgets, plat of neighborhood, meetings notes), information on the amenities and more.

OUR FACEBOOK GROUP

I have also created a private Facebook Group page with board president Patti Berger for our neighborhood residents. This is an extension of the website by providing a real-time method of communication between residents and the board of directors' members, posting photos, etc. The location on the web for our group is www.facebook.com/groups/oelsubdivision/. It is a private group, meaning the general public cannot post to the wall, upload photos, etc. If you are not already a member of this Facebook group, please send a request via our Facebook group page.

2012 NEIGHBORHOOD DIRECTORY

For the past few years we have published an electronic Neighborhood Directory on our website but the latest version (2010) is overdue for an update - hence I am asking you to send me the following information either by email to davidmassey1975@gmail.com or you can complete the form below and drop it in our mailbox in the next 10 days so I can begin updating the database and publish the new 2012 directory on our website by October 15th. Information you provide is voluntary and is not used for marketing or commercial use. The directory provides a means for neighbors to contact each other in cases of emergencies (neighborhood watch, lost and found pets or personal items) and, of course, getting to know your neighbor. If you have any questions you may contact me on our home phone at 770-426-5715 or email me at davidmassey1975@gmail.com. Be sure to check our website (www.oelhoa.org) in October for the new directory link. The password to open the new directory (PDF file) will be _____. Please file this newsletter away for future reference. Thanks!
