## **Pool Season 2012**

We hope everyone enjoys the new expanded pool deck with its own shade structure. This area can be reserved for parties/gatherings. Just email Patti at [patti@oelhoa.org](mailto:patti@oelhoa.org) so she can let you know if the your date is available.

People reserving the area have priority to its use and should be respected.

We also bought some cushions for the chaise loungers that will make them more comfortable. We also purchased four round tables and 8 more chairs. (replacing existing tables and adding 2 tables/chairs on new deck) And, 8 new pool chairs for those not wanting a chaise.

## **POOL GATE**

The two gates at the pool are automatic closing gates. Slamming them, children riding on them destroys the spring and this year we had to have them repaired \$\$\$. Please be mindful and use these gates with care. These gates are to keep little ones from getting near the pool.

## **POOL TOYS**

Our Pool Technician has requested that children DO NOT BRING SMALL TOYS IN OR NEAR THE POOL. (anything smaller than 5 inches) These objects can get sucked into the pipes and clogging them resulting in areas of the pool deck being removed for repairs thus potentially closing the pool for several weeks, not to mention the cost incurred. We appreciate your cooperation!

## **LITTLE ONES**

Also, babies/toddlers must wear "swimmer" diapers made especially for pools. Anything else risk fecal contamination resulting in extra maintenance, extra chemicals and we are required to close the pool per the Health Dept for 24 hrs each time. If this happens with your child, PLEASE DON'T HESITATE to notify/contact/talk to any board member immediately. . other children can get sick or worse. There will be no penalties ...accidents happen. We would rather know so we can make it better.

## **OEL FACEBOOK PAGE**

We highly recommend everyone get onto our neighborhood facebook page. This is the fastest way for us to get important information out to you. Simply request admission and once approved you will have access to info, chat with neighbors, etc. (Approval is done to keep outsiders from trying to get info or sell/advertise on our page)
